MINNEAPOLIS HOLIDAY TRAIN AT NEW LOCATION

MINNEAPOLIS (November 11, 2016) - The Canadian Pacific (CP) Holiday Train will arrive in Northeast Minneapolis on Saturday, December 10, 2016. More than 1000 people welcomed the train last year. The Minneapolis stop is at a new location in 2016, near Lions Park at 37th Avenue NE and Stinson Boulevard. The Holiday Train's appearance this year is sponsored by the cities of Minneapolis, Columbia Heights, and St. Anthony Village.

CP Holiday Train is celebrating its 17th year of raising awareness of hunger relief by touring over 130 communities across the U.S. and Canada. CP provides a brightly decorated train covered in lights, a boxcar converted into a stage, musical talent and an invitation to each community to bring food and funds to support the community food shelf. The train is hosted by East Side Neighborhood Services Food Programs.

This is a free, community event. Attendees are encouraged to bring monetary and/or healthy food donations and toiletries. Non-perishable items include cereal, low sodium canned goods, cooking oil, sugar, flour, dried fruit, condiments, crackers, tea, coffee, honey, pasta, rice, and beans.

Prior to the train's arrival, there will be family activities, refreshments and musical entertainment. The activities begin at 6:00 PM, and the train arrives at 7:00 PM.

A free shuttle bus service will operate from The St. Anthony Village City Offices and Community Center at 3301 Silver Lake Road, beginning at 5:30 PM. Portions of 37th Avenue NE and 37th Place NE will be closed from 6:00 PM to 8:00 PM.
