

Mattress Recycling

Second Chance Recycling is a local leader in community recycling initiatives, with a focus on mattress recycling.

Dismantling nearly 250,000 mattresses, Second Chance Recycling has diverted over 10.5 million pounds of mattress material from landfills.

Second Chance Recycling is a social enterprise of Emerge Community Development with a mission to work with lower-income individuals to help them achieve greater self-sufficiency through employment training, support services and education.

Located at 1179 15th Ave, SE in Minneapolis, recycling items can be dropped off during regular business hours: 8:00am-4:00pm, Monday through Friday.

Second Chance also offers curbside pickup.

For more information about this service and to schedule a pickup, visit secondchancerecyclingmn.com or call 612.332.0664.
